

#### What's included:

- Fitbit Versa 2 smartwatch
- Classic wristband (both small & large)
- Charging cable

#### What's included in special edition Versa 2:

- Fitbit Versa 2 watch
- Jacquard woven band (both small & large)
- Classic wristband (both small & large)
- Charging cable

#### Sensors & Components

- 3-axis accelerometer
- Optical heart rate monitor
- Altimeter
- Vibration motor
- Relative SpO2 sensor
- NFC
- Ambient light sensor
- Wi-Fi antenna (802.11 b/g/n)
- Microphone
- Device temperature sensor (skin temperature variation available through Premium only)<sup>†</sup>

#### Battery and Power

Battery life of 6+ days. Battery life and charge cycles vary with use, settings, and other factors; actual results will vary. Use of the always-on display feature will require more frequent charging. We recommend charging every few days to ensure you're always tracking.

- Battery type: Lithium-polymer
- Charge time (0-100%): Two hours
- Radio transceiver: Bluetooth 4.0

#### Memory

- Saves 7 days of detailed motion data – minute by minute
- Saves daily totals for the last 30 days
- Stores heart rate data at one-second intervals during exercise tracking and at five-second intervals all other times

## Water Resistance

Water resistant to 50 metres. After swimming or getting the band wet, we recommend drying the band because, as with any wearable device, it's best for your skin if the band is clean and dry. We do not recommend wearing Fitbit Versa 2 in a hot tub or sauna. [Learn more.](#)

## Care

Give your wrist a rest by taking the band off every now and then. If the band gets wet or you sweat in it, remove and completely dry the band before putting it back on. [Learn more.](#)

## Materials

This watch includes a band made of a flexible, durable material similar to that used in many sports watches, as well as an aluminium watch case and buckle. The woven band is made from a comfortable polyester and includes an aluminium watch case and buckle.

## Heart Rate

Like all heart rate tracking technologies, accuracy is affected by physiology, location of device and different movements. [Learn more](#) about wearing during workouts.

## Environmental Requirements

- Operating temperature: -20° to 60° C
- Maximum operating altitude: 8,535 m

## Syncing

Syncs automatically and wirelessly to computers and 200+ leading iOS and Android devices using Bluetooth LE wireless technology.

- Syncing range: up to 6.1 metres
- Certain features like smartphone notifications may require Android 7.0+. [Check your device compatibility.](#)
- Syncing requires Bluetooth LE and Internet connection.
- Music control via Bluetooth Classic on Android and Bluetooth LE on iOS devices.
